Swim Skill Level

Level 1: (ratio 4:1)* :

For children 3 and older who will not willingly submerge their head. In this class the child will be instructed on overcoming any fear of the water, blowing bubbles, submerging their head, floating with help, kicking, and retrieving objects.

Level 2: (ratio 4:1)* :

Child enjoys the water, goes under the water willingly and tries to swim. In this class the child will be instructed on independent floating, jumping into shallow water, and introduction to the crawl stroke.

Level 3: (ratio 4:1)* :

Child can swim for 7 yards and float independently. In this class the child will be instructed on side breathing, endurance and advanced strokes.

* "Ratio" = Student to teacher ratio.
